Full	Peter	Sobienski Stacy	Peter Llewelyn Davies was just an infant in his pram when he served as the inspiration for JM Barrie's Peter Pan. Peter presents another side to one of the world's most beloved tales. As Peter enters adulthood he struggled to separate himself from what he calls "that terrible masteroiece" and begins to spiral into depression. Will he succeed in overcoming the demons of his past, or do happy endings only exist in fairy stories?	3	4	3	0	15446
